

Dear Valued Client,

INTRODUCING FLEXI TRADE

Please be informed that effective 18th March 2024, HLeBroking will be introducing its latest product – **Flexi Trade**.

Flexi Trade

Flexi Trade offers extra trading limit for either cash or shares deposited with HLIB. You will also be able to enjoy attractive brokerage rates when using only cash up front trading limit.

Features include:

- **Low rates**
Online brokerage as low as 0.08% (up to cash value placed) for purchase & selling shares. The brokerage will be 0.38% for contracts RM100k & below and 0.18% for contracts above RM100k when using trading limit in excess of cash upfront.
- **Up to 2x multiple of the cash pledged as collateral**
- **Up to 3x multiple of the value of the shares* pledged as collateral**
- **Zero Moving Cost****
Zero moving cost is subject to management discretion, approval and a minimum number of shares per counter.

* Share value shall be subject to price capping as determined by HLIB in its absolute discretion.

** Zero moving cost is subject to management discretion and approval.

Thank you.

Best regards,
HLeBroking
