DISCLAIMER

The information disclosed in this seminar, including information presented orally or otherwise, constitutes confidential information and is intended solely for your personal reference. It may not be reproduced, disclosed, distributed or passed (in whole or in part) to any other person. Such information is only being made available to parties attending this seminar and who have agreed to treat it as confidential.

This seminar does not constitute, or form any part of any offer for sale or subscription of, or solicitation or invitation of any offer to buy or subscribe for, any futures nor shall it or any part of it form the basis of, or be relied on in connection with, any contract, investment decision or commitment whatsoever.

The material used in this seminar is neither a prospectus nor a circular and does not purport to contain all of the information that might be required to evaluate a potential transaction. No issue of, offer for subscription or purchase of, or invitation to subscribe for or purchase, futures to which this seminar relates is to be made.

The slides forming part of this seminar have been prepared for the purposes of providing information about the subject area. HLIB cannot ensure that such information is true, current, accurate or complete. No representation or warranty, express or implied, is or will be made in or in relation to, and no responsibility or liability is or will be accepted by HLIB as to the veracity, accuracy or completeness of, this seminar or any other written or oral information made available to you and any liability therefore is hereby expressly disclaimed.
